P.O. Box 8

Virginia City, NV 89440

May 13, 2021

Greetings Mucker Supporters,

Virginia City Boosters Club is looking for sponsorships to help support our athletes. Monies raised will support our athletes by sending them to camp, purchasing meals during out of town games, help students who could not otherwise afford the costs to play, and scholarships for graduating seniors.

Attached, please find a form which details how you can get involved. We raise the majority of our funds from: membership dues, concession sales, and advertising sales. Please consider helping us support VCHS athletes this year by purchasing an advertising packet or making a donation. Purchasing an advertisement packet shows that you support our efforts to enrich our community.

Sincerely,

Kim Hames
